SECTION 1 – INTRODUCTION AND GENERAL PROVISIONS

Within Yancey County Government, all Human Resources functions are handled by the County Manager's and County Finance Offices. Human Resources related questions should be directed to the following staff members:

The County Manager	(828) 682-3971
The Administrative Assistant to the County Manager	(828) 682-3971
The Finance Officer	(828) 682-3819

1.1 Purpose of Personnel Policy

It is the purpose of this policy to establish a fair and uniform system of personnel administration for all employees of the County under the supervision of the County Manager, elected officials, Elections Board and Social Services Board. These entities are the official Appointing Authorities covered by this personnel policy. State requirements will supersede these policies for positions subject to the State Personnel Act whenever there is a conflict. This policy is established under the authority of North Carolina G. S. 153A, Article 5 and G.S 126.

Departmental Rules and Regulations

Each department in Yancey County Government is authorized to establish supplemental rules and regulations applicable only to the personnel of that department, including appropriate dress expectations for their respective functions. Such rules and regulations shall be subject to the approval of the County Manager, and shall not in any way conflict with the provisions of this Policy, but shall be considered as supplemental requirements.

1.2 Merit Principles

All appointments and personnel actions shall be made on the basis of merit. All positions requiring the performance of the same duties and fulfillment of the same responsibilities shall be assigned to the same class and salary grade. No applicant for County employment or employee shall be deprived of employment opportunities or otherwise be adversely affected as an employee because of an individual's race, color, religion, creed, national origin or citizen status, gender, sexual orientation, age, disability, genetic information, status as a covered veteran, or any other protected characteristic as established by law.

1.3 Responsibilities of the Board of Commissioners

The Yancey County Board of Commissioners shall establish personnel policies and rules, including the classification and pay plan, and shall make and confirm appointments when required by law.

1.4 Responsibilities of the County Manager

The Yancey County Manager shall be responsible to the Yancey County Board of Commissioners for the administration of the personnel policy. The County Manager or his duly authorized agent shall prepare and maintain the position classification plan and the pay plan. The County Manager shall have the authority to appoint, suspend, and remove all county officers and employees, except those elected by the people or those whose appointment is otherwise provided for by law. The County Manager shall make appointments, dismissals, and suspensions in accordance with G.S. 153a-82 and Sections 2 and 7 of this personnel policy.

1.5 Application of Policy (Rev 11/13)

- A. This personnel policy shall be binding on all County employees. The County Manager, County Attorney, elected officials, and appointees to advisory boards and commissions will be exempted from all provisions of this policy.
- B. This policy has been filed with the State Personnel Director, and will therefore supersede the rules adopted by the State Personnel Commission governing vacation leave, sick leave, hours of work, holidays, and the administration of the pay plan for County employees otherwise subject to those provisions.
- C. The Sheriff, Register of Deeds, Elections Board, and Social Services Board are Appointing Authorities for the employees in each respective department. The County Manager is the Appointing Authority for all other employees.
- D. Employees of the Sheriff and Register of Deeds are considered County employees and are, therefore, subject to all policies except for those regarding employment and dismissal and any other rules set forth in the General Statutes.
- E. Employees of the County Board of Elections are considered County employees and are, therefore, subject to all policies except for those regarding employment and dismissal and any other rules set forth in the General Statutes.
- F. In accordance with the Memorandum of Understanding between the Yancey County Board of Commissioners and the North Carolina Cooperative Extension Service, Extension employees will follow County policies relative to office hours, office closings for inclement weather and holidays, and for the management and use of County property.
- G. The Tax Assessor and Tax Collector are considered County employees and are, therefore,

subject to this policy except the provisions regarding appointment and discipline/dismissal and other rules set forth in the North Carolina General Statutes.

1.6 At-Will Employment

Employment with Yancey County is voluntarily entered into, and the employee is free to resign at will at any time, with or without cause. Similarly, Yancey County may terminate the employment relationship at will at any time so long as there is no violation of applicable Federal or State law.

Personnel policies are not intended to create a contract, nor are they to be construed to constitute contractual obligations of any kind or a contract of employment between Yancey County and any of its employees. The provisions of this manual have been developed at the discretion of management and, except for its policy of employment-at-will, may be amended or cancelled at any time, at the sole discretion of the County. No employee of Yancey County can enter into an employment contract for a specified period of time, or make any agreement contrary to this policy without written approval from the County Manager.

These provisions supersede all existing policies and practices and may not be amended or added to without the express approval of the Board of Commissioners of Yancey County.

1.7 Equal Employment Opportunity Statement

Equal Employment Opportunity has been, and will continue to be, a fundamental principle at Yancey County, where employment is based upon personal capabilities and qualifications without discrimination because of race, color, religion, creed, national origin or citizen status, gender, sexual orientation, age, disability, genetic information, status as a covered veteran, or any other protected characteristic as established by law.

This policy of Equal Employment Opportunity applies to all policies and procedures relating to recruitment and hiring, compensation, benefits, termination and all other terms and conditions of employment.

The County Manager has overall responsibility for this policy and maintains reporting and monitoring procedures. Employees' questions or concerns should be referred to that office.

Appropriate disciplinary action, up to and including termination, may be taken against any employee willfully violating this policy.

1.8 Americans with Disabilities Act

Yancey County is committed to complying fully with the Americans with Disabilities Act (ADA) and ensuring equal opportunity in employment for qualified persons with disabilities. All employment practices and activities are conducted on a non-discriminatory basis. Pre-employment inquiries are made only regarding an applicant's ability to perform the duties of the position.

Reasonable accommodation is available to all disabled employees, where their disability affects the

performance of job functions. All employment decisions are based on the merits of the situation in accordance with defined criteria, not the disability of the individual.

Qualified individuals with disabilities are entitled to equal pay and other forms of compensation (or changes in compensation) as well as in job assignments, classifications, organizational structures, position descriptions, lines of progression and seniority lists.

Yancey County is also committed to not discriminating against any qualified employees or applicants because they are related to or associated with a person with a disability. The County will follow any State or Local law that provides individuals with disabilities greater protection than the ADA.

This policy is neither exhaustive nor exclusive. Yancey County is committed to taking all other actions necessary to ensure equal employment opportunity for persons with disabilities in accordance with the ADA and all other applicable Federal, State, and Local laws. Any employee who feels that he or she has been unlawfully discriminated against should immediately inform the County Manager, after which the complaint will be thoroughly investigated.

Employees with life-threatening illnesses often wish to continue their normal pursuits, including work, to the extent allowed by their condition. Yancey County supports these endeavors as long as employees are able to meet acceptable performance standards. As in the case of other disabilities, the County will make reasonable accommodations in accordance with all legal requirements, to allow qualified employees with life-threatening illnesses to perform the essential functions of their jobs.

Medical information on individual employees is treated confidentially. Yancey County will take reasonable precautions to protect such information from inappropriate disclosure. Department Heads and other employees have a responsibility to respect and maintain the confidentiality of employee medical information. Any employee inappropriately disclosing such information is subject to disciplinary action, up to and including termination.

1.9 Non-Discrimination and Anti-Harassment Policy

It is the policy of the County to ensure equal employment opportunity without discrimination or harassment on the basis of race, color, religion, creed, national origin or citizen status, gender, sexual orientation, age, disability, genetic information, status as a covered veteran, or any other protected characteristic as established by law.

1.10 Harassment

Harassment is defined as unwelcome or unsolicited verbal, physical or sexual conduct that interferes with an employee's job performance or which creates an intimidating, offensive or hostile work environment. All incidents of prohibited harassment that are reported will be investigated. The investigation will be completed as soon as practicable and a determination regarding the reported harassment will be made and communicated to the employee who complained and to the accused harasser. The confidentiality of persons reporting violations will be respected so far as practicable in conducting an investigation of such claims. There will be no retaliation against persons filing such complaints. If a complaint of prohibited harassment is substantiated, appropriate corrective action, up to and including termination, will be taken. Appropriate action will also be taken to correct the effects of

the harassment and to deter any future harassment.

1.11 Sexual Harassment

It is the policy of Yancey County that all employees shall have the right to work in an environment free from any form of unlawful discrimination. Sexual harassment is considered as discrimination and is prohibited by State and Federal laws. Therefore, it is the position of this County that sexual harassment will not be tolerated. It is a violation of County policy for any Supervisor or employee, male or female, to engage in sexual harassment as defined below. Such conduct will result in disciplinary action, up to and including termination.

The Equal Employment Opportunity Commission (EEOC) defines sexual harassment as follows:

Quid Pro Quo - Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute quid pro quo when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment and, or (2) submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting an individual.

Hostile Environment - One in which unwelcome sexual advances, requests for sexual favors and verbal or conduct of a physical nature occur and when such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

Any employee who believes he/she has experienced such conduct by anyone, including a Supervisor, co-worker, or by persons doing business with or for this County should tell the offender that such conduct is unwelcome and unacceptable. If the offensive behavior does not stop, or if the employee is uncomfortable confronting the offender, the employee must immediately report such conduct to his or her Supervisor or to any of the individuals listed in Section 1 of this Policy Manual.

The Investigation

Any reported allegations of harassment, discrimination or retaliation will be investigated promptly, thoroughly and impartially. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge.

Confidentiality will be maintained throughout the investigatory process to the extent consistent with adequate investigation and appropriate corrective action.

Responsive Action

Misconduct constituting harassment, discrimination or retaliation will be dealt with promptly and appropriately. Responsive action may include training, referral to counseling, monitoring of the offender and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reduction of wages, demotion, reassignment, temporary suspension without pay or termination, as the County believes appropriate under the circumstances.

1.12 Drug and Alcohol-Free Workplace

It is the County's desire to provide a drug- and alcohol-free, healthful, and safe workplace. To promote this goal, employees are required to report to work in appropriate mental and physical condition to perform their jobs in a satisfactory manner.

While on the premises and while conducting County business and related activities off the County premises, no employee may use, possess, distribute, sell or be under the influence of alcohol or controlled drugs. The legal use of prescribed drugs is permitted on the job only if it does not impair an employee's ability to perform the essential functions of the job effectively and in a safe manner that does not endanger other individuals in the workplace and County grounds.

Violations of this policy may lead to disciplinary action, up to and including termination of employment, and/or required participation in a substance abuse rehabilitation or treatment program. Such violations may also have legal consequences.

Employees with drug or alcohol problems that have resulted in, and are not the immediate subject of, disciplinary action may participate in a rehabilitation or treatment program through the County's health insurance benefit and/or the County's Employee Assistance Program.

Employees with questions regarding this policy or issues related to drug or alcohol use in the workplace may express their concerns to the County Manager's Office without fear of reprisal.

SECTION 2 – RECRUITMENT AND EMPLOYMENT

2.1 Responsibility of the County Manager or Other Appointing Authority

The County Manager, or other Appointing Authority, is responsible for an active recruitment program to meet current and projected staffing needs, using procedures that will ensure equal employment opportunities based on job-related requirements. Recruitment efforts of the County Manager and all County departments will be coordinated in a timely manner.

2.2 Position Vacancy Announcements

All position vacancy announcements shall be posted for a minimum of seven (7) working days at the County Manager's Office. Position vacancies may also be listed with the North Carolina Employment Security Commission. Optional recruiting publicity shall be carried out through the media, as appropriate. Position vacancy announcements shall contain, at a minimum, (1) the title, the grade, and the location of the position; (2) the closing date of the announcement; (3) a summary of the duties of the position; (4) a summary of the basic qualifications; (5) the procedures for making application; and (6) a statement of Equal Employment Opportunity.

2.3 Application for Employment

Applications for employment in Yancey County should be submitted as follows: general County employment to the County Manager's Office; Department of Social Services to that agency; and Sheriff's Office and Register of Deeds to those departments respectively. The application form should be obtained from those Appointing Authorities.

2.4 Selection

Selection will be made by the County Manager to fill those positions for which he is the Appointing Authority after an appropriate screening and interview process. Input from the Department Head will be an important part of the selection process. Selection will be made by the other Appointing Authorities to fill those positions in their respective areas. An appropriate background check will be conducted commensurate with the specific job requirements. The County Manager will determine the class and the salary of employees as set forth in general statutes.

The Board of County Commissioners must approve the appointment by the Sheriff or the Register of Deeds of a relative by blood or marriage of nearer kinship than first cousin or of a person who has been convicted of a crime involving moral turpitude.

2.5 Qualification Standards

- A. All applicants considered for employment or promotion shall meet the qualification standards established by the class specifications relating to the position for which the employment is being made.
- B. All employment or appointments shall be made on the basis of merit.
- C. Consideration may be given to “trainee” employment when there is an absence of qualified applicants from which to make a selection. In this instance the deficiencies may be eliminated through orientation and on-the-job training, and the employee is designated a trainee by the County Manager (for employees in Yancey County general positions) or the Office of State Personnel (for employees in all positions subject to the State Personnel Act).
- D. When no qualified applicant is available and there is no trainee provision for the vacant classification, employment may be made below the level of the regular classification, allowing the employee an opportunity to gain the qualifications needed for the position through on-the-job experience.

2.6 Pre-Employment Criminal Background Check and Drug Screening

As a public employer, Yancey County government is responsible for reasonably ensuring the health and safety of its employees and the citizens of Yancey County. As a condition of employment with Yancey County all final applicants for positions may be required to submit to (1) a criminal background check, and (2) a urinalysis drug screening procedure for the purpose of screening for the presence of controlled drugs or an abusive level of prescribed medication. It is the policy of Yancey County that a negative result from this screening, if one is required, is a condition of employment. A confirmed positive test result indicating the presence of controlled drug use or an abusive level of prescribed medication shall result in a rejection of the applicant for the position. A confirmed positive test will also result in the applicant being barred from securing employment with Yancey County for a one-year period. The following criteria will be strictly adhered to:

- A. Pre-employment drug screening results will be held in complete confidence. Tested applicants may receive a copy of the results upon request. Specimens will be analyzed by an outside laboratory utilizing chain of custody procedures.
- B. Results of the drug screens will be released only to the County Manager and/or other Appointing Authorities. The Department Head filling the position will be notified of the results by the County Manager. The screening results will be maintained in the applicant’s personnel file and are not public record and will not be disclosed to any individual except the applicant.

2.7 Immigration Law Requirements

Yancey County is committed to employing only United States citizens and aliens who are authorized to work in the United States. The County does not unlawfully discriminate on the basis of citizenship or national origin.

In compliance with the Immigration Reform and Control Act of 1986, each new employee, as a condition of employment, must complete the Employment Eligibility and Verification Form I-9 and present documentation establishing identity and employment eligibility. Former employees who are rehired must also complete the form if they have not completed an I-9 with the County within the past three years, or if their previous I-9 is no longer retained or valid.

Employees seeking more information on immigration law issues are encouraged to contact the County Manager's Office. Employees may voice questions or complaints about immigration law compliance without fear of reprisal.

2.8 Introductory Period

An employee approved for a permanent non-exempt position shall serve an introductory period of six (6) months. An employee may be dismissed at any time during the introductory period. Following successful completion of the introductory period, the employee may be dismissed only as provided in Section 7.

2.9 State Personnel Act Employee

Employees subject to the State Personnel Act are covered under that act by certain provisions for disciplinary actions and appeal procedures. In Yancey County these are employees of the Social Services Department and certain employees in Emergency Management (those whose primary job duties involve coordination of the emergency management response and whose salary is funded, in whole or in part, by Federal Homeland Security or emergency management funds.)

2.10 Work Against Appointment

In departments whose employees are subject to the State Personnel Act, the Appointing Authority may appoint an employee in a "work against" situation. When qualified applicants are unavailable and there is no trainee provision for the classification of the vacancy, the Appointing Authority may appoint an employee below the level of the regular classification in a "work against" appointment. This appointment is for the purpose of allowing the employee to gain the qualifications needed for the full class through on-the-job experience. A "work against" appointment may not be made when applicants are available who meet the training and experience requirements for the full class in the position being recruited. During the "work against" appointment, the employee is on introductory status.

2.11 Promotion

Candidates for promotion shall be chosen on the basis of their qualifications. First consideration for filling positions shall be given to employees already in service with the County. If a current employee is chosen for promotion, the Department Head shall forward the request to the County Manager with recommendations for classification and salary along with reasons for selecting the employee over other applicants. After considering the Department Head's recommendation, the County Manager shall accept or reject the recommendation. If the County Manager confirms the promotion, he shall determine the starting salary for the employee.

2.12 Demotion

An employee may be demoted voluntarily or involuntarily as follows with the commensurate pay reduction:

- A. An employee whose work is unsatisfactory may be demoted provided that the employee shows promise of becoming a satisfactory employee in another position. The employee shall be provided with written notice citing the recommended effective date of the demotion, the reasons for the demotion, and the appeal rights available to the employee.
- B. An employee who wishes to accept a position with less complex duties and reduced responsibilities may request a voluntary demotion. A voluntary demotion is not a disciplinary action.

2.13 Transfer

- A. If a vacancy occurs and an employee eligible for transfer from another department wishes to be considered for the position, a written request and application must be forwarded to the County Manager during the recruitment period for the position. The request for transfer shall be subject to approval by the County Manager. Any employee transferred without his or her having requested it may appeal the action in accordance with the Grievance Procedure.
- B. Any employee who has successfully completed an introductory period may be transferred to any other position without serving another introductory period.

SECTION 3 - EMPLOYEE BENEFITS

Benefits available to Yancey County employees are reviewed on an annual basis and are subject to the availability of funds.

3.1 Eligibility

All full- or part-time employees whose regular work assignment is 30 hours or more per week are eligible for benefits provided for by the County. However, membership in the Local Government Employees' Retirement System (LGERS) is required for those working 19.23 hours per week (see Section 3).

3.2 Group Health and Hospitalization Insurance (Rev 7/12; 7/16)

Yancey County will provide a percentage of the cost of individual hospitalization insurance for all employees as defined above. Employees may be enrolled in the group plan in accordance with the provisions of the insurance contracts on the first day of the calendar month following employment. All coverage is for the calendar month. Health insurance provided through Yancey County is pre-paid, and thus is deducted from payroll checks the month prior to the effective date. All employees will continue to have coverage for the calendar month following termination. Individuals employed after the beginning of the second pay period will be responsible for full payment (both employee and employer portion) of the first month's health insurance premium if they desire immediate health insurance coverage, or delay coverage until the next calendar month. Only individuals in the employment of Yancey County on each July 1 will receive the County's prevailing contribution to the employee's Health Savings Account for that fiscal year.

Retirement Benefits

3.3 Membership in Local Government Employees' Retirement System

All employees working a minimum of 19.23 hours per week or 1,000 hours per year must be enrolled in the Local Government Employees' Retirement System (LGERS). Employees contribute six percent (6%) of their gross salary each month to the system. Yancey County also contributes an actuarially determined percentage of the gross payroll each month to the system.

LGERS is a defined benefit retirement plan that provides a fixed sum of money each month to the retiree. An employee may retire and begin to draw unreduced LGERS benefits at age 65 with five years of creditable service, age 60 with 25 years of credit, or at any age with 30 years of creditable

service. Reduced benefits are available at age 50 with 20 years of service, or age 60 with five years of service. More information regarding LGERS membership and benefits can be found at www.nctreasurer.com.

3.4 Supplemental Retirement Income Plan for Law Enforcement Officers

All law enforcement officers automatically become members of the North Carolina 401(k) Supplemental Retirement Income Plan on the date of hire. Yancey County contributes 5% of each officer's salary to the plan. The employee may also voluntarily contrib. ute.

3.5 Law Enforcement Officers' Special Separation Allowance

Yancey County provides law enforcement officers upon retirement from law enforcement positions a special separation allowance as required by G.S. 143-166.42. The officer will receive a percentage of his/her last base rate of compensation, with consideration for the number of years of service, if the officer meets certain qualifying conditions as follows: (1) has completed a minimum of thirty years of service, or is at least fifty-five years old and has completed a minimum of five years of service; and (2) is under sixty-two years of age; and (3) has five continuous years of service as a law enforcement officer during the period immediately preceding retirement.

3.6 Retiree Health and Hospitalization Insurance

All Yancey County employees who reach eligibility for retirement from the Local Government Employees' Retirement System based on no less than twenty years of creditable service completed in and for Yancey County are likewise eligible for continued health insurance coverage. Such retirement must occur upon completion of active service and not follow a period of separation. The County will provide the same amount of contribution to the eligible retiree's coverage through the existing health plan as the prevailing contribution provided for active employees. This benefit will cease when the retiree reaches eligibility for Medicare benefits based on either age or disability.

3.7 Other Insurance Products (Rev 7/11)

All Yancey County employees who retire from active service as described under the Health and Hospitalization Insurance section are eligible to continue coverage under other insurance products as provided by the prevailing carrier of those products. Such continuation of benefits may be billed by, and paid directly to, the provider by the retiree, or may be billed to Yancey County. If billed to the County, the retiree must pay the County monthly by the 25th for the next month's coverage.

3.8 Death Benefit

An additional LGERS benefit provides that if an employee dies while still in active service with at least one (1) year as a contributing member of the Retirement System, the employee's beneficiary will receive a lump-sum payment equal to the employee's highest twelve (12) consecutive months' salary during the preceding twenty-four (24) months, but no less than \$25,000 and no more than \$50,000. This benefit is also paid if the employee dies within 180 days of the last day for which he or she was paid a salary.

3.9 Longevity Pay

Yancey County employees earn a bonus payment after a period of service to Yancey County. This is a valuable employee benefit and is explained in detail in the Pay Plan section of this manual. (See Section 6.)

3.10 Federal Social Security and Medicare Program

Yancey County provides Social Security contributions (FICA) for all employees in accordance with the provisions of the Social Security Act. The Federal Social Security program provides monthly benefits upon retirement, with full and reduced benefits available as determined by the Social Security Administration.

3.11 Life Insurance

All permanent full- and part-time (30 hours per week or more) employees of Yancey County are provided with life insurance coverage upon employment. The coverage amount is \$15,000 per eligible employee in active employment status.

3.12 Local Government Employees' Retirement System Death Benefit

See Retirement Benefit – Death Benefit, Section 3 above, for information on LGERS Death benefit.

3.13 Other Optional Benefits

Yancey County provides its employees the opportunity to participate in several optional benefit plans, including but not limited to the following:

NC State Employees' Credit Union and Local Government Federal Credit Union

Employees may become members of these credit unions based on criteria established by each. The County will provide payroll deduction for services that employees may obtain from either credit union.

Deferred Compensation Plans

Employees may enroll in the Section 401(k) plan, which is authorized by the Internal Revenue Code, and which provides supplemental retirement income.

Cafeteria Plan

Employees may enroll in several benefits authorized by Section 125 of the Internal Revenue Code through which pre-tax payroll deductions can provide several supplemental insurances. Enrollment forms for the 125 Plan are available every year during open enrollment, and the election must be maintained for one full year. However, certain changes in family circumstances are considered under IRS regulations as valid reasons to make mid-year plan changes.

Miscellaneous Deductions

Yancey County employees may request payroll deductions for a variety of miscellaneous deductions such as United Way contributions and Blue Ridge Fitness Center dues.

3.14 Workers' Compensation

All Yancey County employees are covered by the North Carolina Workers' Compensation Act and are entitled to medical attention for all on-the-job-injuries, including those incurred while traveling on official County business.

An employee must report all injuries occurring on the job to his/her Department Head immediately. The Yancey County Manager's Office will complete an injury report and provide the employee with appropriate instructions for obtaining any required medical attention. Workers' Compensation claims are filed with the North Carolina Industrial Commission by the County's Workers' Compensation insurance carrier on behalf of the injured employee.

Any employee who is on qualified Workers' Compensation leave will be required to provide doctors' statements of physical condition and progress toward a potential for returning to work. A doctor's release is required before being allowed to return to work.

3.15 Unemployment Compensation

Yancey County employees who are temporarily or permanently dismissed from the County's service may apply for unemployment compensation through the local office of the North Carolina Employment Security Commission. Eligibility for unemployment compensation will be determined by the Employment Security Commission.

Federal Mandated Protections:

3.16 COBRA Benefits Continuation

The Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under Yancey County's health plan when qualifying events, such as the following, would otherwise result in loss of coverage: resignation, termination of employment, or death of an employee; a reduction in an employee's hours or a leave of absence; an employee's divorce or legal separation; or a dependent child no longer meeting eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage at Yancey County's group rates, plus an administration fee, to the third party administrator. Yancey County provides each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under Yancey County's health insurance plan. The notice contains important information about the employee's rights and obligations.

3.17 HIPAA and Your Special Enrollment Rights

HIPAA - The Health Insurance Portability and Accountability Act of 1996 provides limited exclusions for preexisting conditions; prohibits discrimination against employees and dependents based on their health status; guarantees renewability and availability of health coverage to certain employers and individuals; and protects many workers who lose health coverage by providing better access to individual health insurance.

HIPAA Special Enrollment (Federal Register Section 54.9801-6T) - The special enrollment rights apply without regard to the dates on which an individual would otherwise be able to enroll under the plan. Special Enrollment periods are to apply to an employee, their spouse and/or children when there is a new dependent as a result of marriage, birth, adoption or the placement for adoption. Under these rules, a group health plan is required to provide a special enrollment period for these individuals should they request enrollment within 30 days after a special enrollment event has occurred.

HIPAA Special Enrollment for Declining Enrollment - If an employee declines enrollment for themselves or their dependents (including their spouse), and states in writing that the reason they are declining is that they and/or their dependents have coverage under another group health plan or health insurance coverage, then special enrollment rules may apply to the employee, their spouse and/or children in the event they have lost this other coverage due to the loss of eligibility.

SECTION 4 – HOLIDAYS AND LEAVE BENEFITS

Paid leave benefits are granted to all permanent full- and part-time employees of Yancey County whose regularly scheduled work hours total thirty (30) or more per week as follows:

4.1 Paid Holidays (Rev 7/15)

The following holidays, and such others as the Yancey County Board of Commissioners may designate, shall be observed by County departments and shall be counted as hours worked, and therefore paid, for all permanent full- or part-time employees scheduled to work on the day on which the holiday falls:

New Year's Day
Martin Luther King, Jr. Holiday
Good Friday
Memorial Day
Independence Day
Mount Mitchell Crafts Fair Friday
Labor Day
Veterans' Day
Thanksgiving (two days)
Christmas (three days)

Regular holidays that occur during an annual, sick, or other paid leave period for any employee shall count as a holiday and shall not be charged as annual, sick, or other paid leave.

4.2 Holiday Pay When Work Is Required

Permanent non-exempt employees required to work on regularly scheduled holidays will receive double their regular rate of pay for each hour worked on the holiday. The additional holiday pay will be included in the next payroll period.

4.3 Sick Leave

Sick leave is a privilege provided by Yancey County. For purposes of the policies concerning sick leave and bereavement leave, Immediate Family is identified as: spouse, children, parents, siblings, grandparents, great grandparents, grandchildren, great grandchildren, step-brother and step-sister, half-brother and half-sister, mother-in-law, father-in-law, sister-in-law and brother-in-law.

- A. All permanent full- and part-time employees shall earn sick leave. Permanent part-time employees working a minimum of thirty (30) hours per week shall be entitled to three-fourths the amount of sick leave earned by a full time employee.
- B. Employees may be granted sick leave for absence due to the following:
 - 1. Personal or family sickness that prevents the employee from performing his or her regular duties.
 - 2. Personal or family medical or dental appointments.
 - 3. The actual period of temporary disability related to pregnancy, miscarriage, childbirth, or recovery from either. A doctor's certificate may be required to verify the employee's period of temporary disability for these reasons.
- C. Employees must notify their Department Head of all requests for sick leave before the leave is taken, or not later than two (2) hours after the beginning of a scheduled working day. Sick leave may be taken only with the approval of the Department Head.
- D. The employee's Department Head or the County Manager may require a statement from a physician or other acceptable proof that the employee was unable to report for work, as a condition of approving sick leave after an absence of three (3) consecutive days. A physician's statement may also be required prior to an employee's return to work.
- E. For the first two (2) years of employment, permanent full-time employees shall accrue sick leave on a basis of ten (10) days per year or 3.08 hours per pay period. After two full years of employment each full-time employee shall begin to accrue twelve (12) days of sick leave per year or 3.70 hours per pay period. Permanent part-time employees working a minimum of thirty hours per week shall be entitled to three-fourths the amount of sick leave earned by a full time employee. Unused sick leave may accumulate from year to year on the basis of ten days per year for those employees with less than two years' employment, and at the rate of twelve days per year for those who have been employed two or more years. However, no employee shall be paid for accumulated sick leave upon separation by retirement, resignation, or other termination.
- F. Sick leave is converted to creditable service upon retirement by employees who are members of the North Carolina Local Government Employees' Retirement System. One (1) month of service credit is allowed for each twenty (20) days of unused sick leave, and one (1) additional month is credited for any portion of twenty (20) days of unused sick leave remaining. Unused sick leave earned at another North Carolina government (State or Local) agency will be accepted and transferred to the County as follows:
 - 1. The maximum number of days added or accepted will be fifty (50). Verification received in hours will be calculated and accepted in days rounded to the nearest whole.
 - 2. The total number of days accepted as transferred will be added to the record after

completion of the introductory period.

3. Verification of accumulated sick leave must be received in writing from the previous employer.
 4. The transfer must be completed within three (3) years of the employee's last working day with the previous employer.
- G. Employees who resign and are not reinstated with the County within a period of three (3) years shall lose all sick leave credits.

4.4 Bereavement Leave

In the event of a death in the employee's immediate family (see definition in Section 4), paid bereavement leave will be granted, but not to exceed three (3) days for any one occurrence. An employee is only eligible for bereavement leave for the three days following the death of an immediate family member.

Weekends or holidays are not included in the three-day period. Additional leave time shall be charged to other available leave if authorized by the Department Head.

4.5 Vacation Leave (Rev 7/12, 11/13, 7/15)

Vacation leave is paid time away from work earned during the working period. There is no provision for pay in lieu of paid time away from work.

For the purpose of earning and accruing vacation leave, the period of twelve (12) calendar months between January 1 and December 31 is established as the leave year.

- A. All permanent full- and part-time employees shall earn vacation leave. Permanent part-time employees working a minimum of thirty (30) hours per week shall be entitled to three-fourths the amount of vacation leave earned by a full-time employee. The following table will be used in calculating the accrual of vacation leave for a full-time employee:

	Hours Earned		Days Earned
	<u>Per Pay Period/Per Year</u>		<u>Per Year</u>
Less than 2 years	3.08	80.00	10
2 but less than 5 years	3.70	96.00	12
5 but less than 10 years	4.62	120.00	15
10 but less than 15 years	5.54	144.00	18
15 but less than 20 years	6.47	168.00	21
20 years or more	7.39	192.00	24

- B. Vacation leave may be accumulated without any applicable maximum until December 31 of each calendar year. However, if the employee separates from service through retirement,

resignation, or other termination, payment for accumulated leave shall not exceed thirty (30) days or 240 hours. In the event of resignation, an employee must meet the requirements of Section 7 in order to be paid for accumulated vacation leave.

Any advanced vacation leave shall be deducted from the employee's final compensation.

- C. On December 31, vacation leave balances in excess of thirty (30) days or 240 hours shall be carried forward to sick leave. Conversely, an employee whose leave balance is a negative of three or more days (24 or more hours) at any point in the year shall have a monetary deduction equal to the amount of the negative on a subsequent payroll. The employee's leave balance will then be increased accordingly.
- D. Vacation leave shall be taken with the prior approval of the employee's Department Head.
- E. Any employee who separates in good standing from Yancey County and is reinstated within three (3) years may receive credit for previous service for the purpose of accruing vacation leave. An employee coming to Yancey County from another local or state government as referenced in item H below may also receive credit for previous service for the purpose of accruing vacation leave if employed by Yancey County within three (3) years of separation in good standing from that government. The total months of previous service will be recognized at the end of the new introductory period.
- F. The estate of an employee who dies while employed by the County shall be entitled to payment for all the accumulated vacation leave credited to the employee's account, not to exceed a maximum of thirty (30) days or 240 hours.
- G. Employees serving an introductory period following initial employment may accumulate vacation leave but may not be permitted to take vacation leave during the introductory period. Employees shall be allowed to use accumulated vacation leave after six (6) months of service.
- H. Employees coming to Yancey County from another local government or from a North Carolina state government agency will be given work experience credit for the purposes of Vacation Leave accrual only. Such creditable service at the other local government or state agency must be verified by that government or by the annual statement from the Local Governmental Employees' Retirement System (LGERS) or the Teachers' and State Employees' Retirement System (TSERS). Prior experience credit is not applicable to re-hired retirees from either local or state government.
- I. An employee who has worked on a part-time basis in and for Yancey County and is subsequently moved to full-time status will receive pro rata credit for the previous part-time service for the purpose of accruing vacation leave.

4.6 Compensatory Leave (Rev 7/16)

Compensatory Leave ("comp time") is paid time off available to non-exempt employees as a result of working in overtime status. See Section 6 for additional information on earning compensatory time.

4.7 Shared Leave

Yancey County provides the opportunity for employees to share earned sick leave with another employee who is experiencing extreme and extenuating circumstances covered in sick leave provisions. The following procedure applies to sharing sick leave:

- A. An employee experiencing an extreme and extenuating situation who has exhausted his/her sick and vacation leave may apply in writing to their Department Head to accept donated sick leave from other Yancey County employees. The written request shall include a brief description of the circumstance prompting their request.
- B. The Department Head shall review the request and forward it to the County Manager for approval or denial in consultation with the Department Head.
- C. Upon approval, the shared leave request will be forwarded to the Finance Officer for payroll administration.
- D. The recipient shall continue to accrue sick and vacation leave while in a shared leave status.
- E. Employees who wish to donate sick leave to an approved applicant must indicate in writing the employee to whom he wishes to donate, and the hours to be donated, and submit it to the Finance Officer for payroll administration. The minimum amount of hours that can be donated is four (4), and the maximum amount of hours that can be donated shall not exceed one-half of the donor's sick leave balance.
- F. Each approval of shared sick leave shall not exceed 480 hours (six weeks). Requests for additional donated sick leave must be submitted in the same manner as the original request, and all subsequent requests shall be presented to the Board of Commissioners for approval in addition to that of the County Manager.
- G. At the termination of the circumstance requiring donated sick leave, all donated sick leave in excess of 24 hours (not including sick leave accrued by the recipient while in shared leave status) shall be prorated and returned to each donor's sick leave balance.

4.8 Adverse Weather Closings (Rev 11/13)

It is the policy of Yancey County to keep all County offices and departments open during the regular workday except during the most extreme or adverse weather conditions. County offices and departments shall remain open for the full scheduled working day unless authorization for delayed opening, early closing, or other deviation is received from the County Manager. This policy does not pertain to emergency services (law enforcement and E-911) and other designated personnel whose attendance during such times is considered a condition of employment. All other departments and offices will be given sufficient advance notice of any authorized early closing or delayed opening. Employees will receive full pay for all such authorized periods. Employees who leave work before an official early closing time, as well as employees who report for work late or do not report for work at all when no County-wide closing has been authorized, will be required to use earned vacation leave or compensatory time for hours or days taken.

Delayed openings or full-day closings will be communicated to all employees in the most efficient manner possible, either by 10:00 p.m. on the preceding evening or by 7:00 a.m. on the morning of such a day. Employees who report to work during an official closed period will not be granted extra pay or

compensatory time for the reported period unless specifically directed to report to work by his Supervisor or Department Head.

It is recognized that weather conditions vary throughout the County, and depending on road conditions in each community the decision whether or not to report to work, or to leave early, lies strictly with each individual employee. However, available compensatory leave or vacation leave must be used for the time missed from work.

4.9 Court Leave

Court leave may be granted when an employee is called for jury duty or as a witness in any civil or criminal legal proceeding. The employee shall receive leave with pay for such duty.

An employee may keep fees and travel allowances received for jury or witness duty in addition to regular compensation, except that employees must turn over to the Finance Officer any witness fees or travel allowances awarded for court appearances in connection with official duties. When an employee's obligation for jury or witness duty ends during the work day, the employee shall return to work as soon as practical. While on court leave, benefits and leave shall accrue as though on regular duty.

An employee who is involved in private litigation shall not be entitled to court leave, but may take vacation leave, compensatory leave, or leave without pay for necessary court appearances with the approval of the Department Head.

4.10 Workers' Compensation Leave

Workers' Compensation leave complies with applicable North Carolina statutes and Federal laws and runs concurrently with the FMLA. By statute the workers' compensation benefit is two-thirds (66.66%) of the injured workers' average weekly wage. The benefit is paid by the carrier and is tax free. The employee may elect to request sick leave pay, if available, for the remaining one-third of the day while absent for workers' compensation leave.

4.11 Parental School Leave

An employee who is a parent of school-age children is entitled to up to four (4) hours of unpaid leave per calendar year so that he/she may attend or otherwise be involved in his/her child's school activities. For the purposes of this policy a "parent" is defined as the natural mother or father of a child; a person who has legal custody of a child; or a person who acts as a guardian of a child regardless of whether he or she has been appointed legally as such. Paid leave (compensatory leave, vacation leave) may be substituted for unpaid time off; however, the leave must be approved in advance by the employee's Department Head.

FEDERAL LAW REQUIREMENTS

4.12 Family and Medical Leave Act – FMLA

Yancey County complies with the Family and Medical Leave Act. The County posts the mandatory FMLA Notice and provides all new employees with notices required by the U.S. Department of Labor.

This policy provides a general description of FMLA rights. In the event of any conflict between this policy and the applicable law, employees will be afforded all rights required by law.

A. General Provisions

Yancey County will grant up to 12 weeks (or up to 26 weeks of military caregiver leave to care for a covered service member with a serious injury or illness) during a 12-month period to eligible employees. The leave may be paid, unpaid or a combination of both.

B. Eligibility

To qualify to take FMLA, the employee must meet all of the following conditions:

- 1) The employee must have worked for the County for 12 months or 52 weeks which need not have been consecutive. Separate periods of employment will be counted, provided that the break in service does not exceed seven years unless the break includes National Guard or other military obligations. For eligibility purposes, an employee will be considered to have been employed for an entire week even if the employee was on the payroll for only part of a week or if the employee is on leave during the week.
- 2) To be eligible for any type of FMLA leave, an employee
 - must have a total of at least twelve months of service with the employer, although the twelve months need not be consecutive;
 - must have worked at least 1,250 hours during the last twelve months; and
 - must work at a worksite that has at least fifty employees within a seventy-five mile radius.

C. Types of Leave Covered

To qualify as FMLA leave under this policy, the employee must be taking leave for one of the reasons listed below:

- 1) The birth of a child and in order to care for that child.
- 2) The placement of a child for adoption or foster care and to care for the newly placed child.

- 3) To care for a spouse, child or parent with a serious health condition.
- 4) The serious health condition of the employee.
- 5) Qualifying exigency leave for families of members of the National Guard and Reserves when the covered military member is on active duty or called to active duty in support of a contingency operation.
- 6) Military caregiver leave (also known as covered service member leave) to care for an ill or injured service member. This leave may extend to up to 26 weeks in a single 12-month period for an employee to care for a spouse, son, daughter, parent or next of kin covered service member with a serious illness or injury incurred in the line of duty on active duty. Next of kin is defined as the closest blood relative of the injured or recovering service member.

Employees with questions about what illnesses are covered under this FMLA policy or under the County's sick leave policy are encouraged to consult with the County Manager's Office.

D. Amount of Leave

An eligible employee can take up to 12 weeks for the FMLA circumstances (1) through (5) previously described under this policy during any 12-month period. The County will measure the 12-month period as a rolling 12-month period measured backward from the date an employee uses any leave under this policy. Each time an employee takes leave, the County will compute the amount of leave the employee has taken under this policy in the last 12 months and subtract it from the 12 weeks of available leave, and the balance remaining is the amount the employee is entitled to take at that time.

An eligible employee can take up to 26 weeks for the FMLA circumstance (6) previously described (military caregiver leave) during a single 12-month period. For this military caregiver leave, the County will measure the 12-month period as a rolling 12-month period measured forward. FMLA leave already taken for other FMLA circumstances will be deducted from the total of 26 weeks available.

If a husband and wife both work for the County and each wishes to take leave for the birth of a child, adoption or placement of a child in foster care, or to care for a parent (but not a parent "in-law") with a serious health condition, the husband and wife may only take a combined total of 12 weeks of leave. If a husband and wife both work for the County and each wishes to take leave to care for a covered injured or ill service member, the husband and wife may only take a combined total of 26 weeks of leave.

E. Employee Status and Benefits During Leave

While an employee is on leave, the County will continue the employee's health benefits during the leave period at the same level and under the same conditions as if the employee had continued to work.

If the employee chooses not to return to work for reasons other than a continued serious health condition of the employee or the employee's family member, the County will require the employee to reimburse the amount it paid for the employee's health insurance premium during the leave period.

While the employee is on unpaid FMLA leave, he or she may request continuation of optional

benefits and pay his or her premiums in person or by mail by the 25th of the month.

F. Use of Paid and Unpaid Leave

An employee who is taking FMLA leave because of the employee's own serious health condition or the serious health condition of a family member must use all paid vacation and sick leave prior to being eligible for unpaid leave. Sick leave may be run concurrently with FMLA leave if the reason for the FMLA leave is covered by the established sick leave policy.

Disability leave for the birth of the child and for an employee's serious health condition, including workers' compensation leave (to the extent that it qualifies), will be designated as FMLA leave and will run concurrently with FMLA. For example, if an employer provides six weeks of pregnancy disability leave, the six weeks will be designated as FMLA leave and counted toward the employee's 12-week entitlement. The employee may then be required to substitute accrued (or earned) paid leave as appropriate before being eligible for unpaid leave for what remains of the 12-week entitlement. An employee who is taking leave for the adoption or foster care of a child must use all paid vacation, personal or family leave prior to being eligible for unpaid leave.

An employee who is using military FMLA leave for a qualifying exigency must use all paid vacation leave prior to being eligible for unpaid leave. An employee using FMLA military caregiver leave must also use all paid vacation or sick leave (as long as the reason for the absence is covered by the County's sick leave policy) prior to being eligible for unpaid leave.

G. Intermittent Leave or a Reduced Work Schedule

The employee may take FMLA leave in 12 consecutive weeks, or may use the leave intermittently by taking a day periodically when needed over the year. The leave may not exceed a total of 12 workweeks (or 26 workweeks to care for an injured or ill service member over a 12-month period).

H. Certification for the Employee's Serious Health Condition

Yancey County will require certification for the employee's serious health condition, or that of the relevant family member if that is the qualifying reason for FMLA. The employee must respond to such a request within 15 days of the request. Failure to provide certification may result in a denial of continuation of leave.

The County may directly contact the employee's health care provider for verification or clarification purposes. In compliance with HIPAA Medical Privacy Rules, the County will obtain the employee's permission for clarification of individually identifiable health information.

The County has the right to ask for a second opinion if it has reason to doubt the certification. The County will pay for the employee to get a certification from a second doctor, which the County will select. The County may deny FMLA leave to an employee who refuses to release relevant medical records.

I. Certification of Qualifying Exigency for Military Family Leave

Yancey County will require certification of the qualifying exigency for military family leave. The employee must respond to such a request within 15 days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of continuation of leave.

J. Certification for Serious Injury or Illness of Covered Service member for Military Family Leave

The County will require certification for the serious injury or illness of the covered service

member. The employee must respond to such a request within 15 days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of continuation of leave.

K. Recertification

The County may request recertification for the serious health condition of the employee or the employee's family member no more frequently than every 30 days and only when circumstances have changed significantly, or if the employer receives information casting doubt on the reason given for the absence, or if the employee seeks an extension of his or her leave. Otherwise, the County may request recertification for the serious health condition of the employee or the employee's family member every six months in connection with an FMLA absence.

L. Procedure for Requesting FMLA Leave

All employees requesting FMLA leave must provide verbal or written notice of the need for the leave to the County Manager. Within five business days after the employee has provided this notice, the County Manager will respond to the request and provide the employee with information regarding their rights.

4.13 Military Leave (Rev 7/11)

A military leave of absence will be granted to employees who are absent from work because of service in the U.S. uniformed services in accordance with the Uniformed Services Employment and Reemployment Rights Act (USERRA). Advance notice of military service is required, unless military necessity prevents such notice or it is otherwise impossible or unreasonable.

Extended active duty leave will be unpaid. However, employees may use any available paid time off for the absence. Short-term military leave with pay will be granted for up to ten (10) workdays during the year.

Continuation of health insurance benefits is available as required by USERRA based on the length of the leave and subject to the terms, conditions and limitations of the applicable plans for which the employee is otherwise eligible. Additionally, the employee may be eligible for retirement service credit at no cost for the period of military leave in accordance with LGERS specifications.

Benefit accruals, such as vacation, sick leave, or holiday benefits, will be suspended during the leave and will resume upon the employee's return to active employment.

Employees on military leave for up to 30 days are required to return to work for the first regularly scheduled shift after the end of service, allowing reasonable travel time. Employees on longer military leave must apply for reinstatement in accordance with USERRA and all applicable State laws.

Employees returning from military leave will be placed in the position they would have attained had they remained continuously employed in accordance with USERRA. They will be treated as though they were continuously employed for purposes of determining benefits based on length of service.

4.14 Leave Without Pay

- A. Leave without pay may be granted for appropriate reasons as determined by the County Manager upon recommendation of the Department Head. Failure to report for duty at the expiration of the leave without pay period, unless an extension has been granted, shall be considered a resignation.
- B. An employee shall have the option to retain all unused vacation and sick leave while on leave without pay. Vacation and sick leave credits will not accrue during leave without pay. Hospitalization insurance provided for the employee by the employer during regular pay status will not be provided at County expense during leave without pay unless the employee is in payroll status a minimum of one-half (1/2) the working days of the calendar month. The employee, however, may continue to participate in any benefit(s) provided by the County's group plans, subject to restrictions set by the respective group carriers.

4.15 Administrative Leave

The County Manager may, for disciplinary reasons or during an investigative period, direct that an employee be placed on administrative leave, with or without pay.

4.16 Deducting Leave

All leave and compensatory time shall be deducted in the following manner:

Emergency services personnel (law enforcement and E-911) shall have each hour of leave or compensatory time taken deducted, up to a total of twelve (12) hours per shift. All other employees shall have each hour of leave or compensatory time taken deducted, up to a total of eight (8) hours for each day absent from work.

4.17 Leave Request Form

Prior to taking vacation leave (or compensatory leave) an employee must turn in a Leave Request Form. The request form shall indicate how many hours will be taken and when the leave will be taken. The request form should be turned in as far in advance as possible, with a two weeks' notice preferred.

Sick leave requests shall be turned in as soon as the employee is aware that it is necessary to take sick leave for medical appointments. When the employee is not aware in advance, sick leave requests should be turned in immediately upon the employee's return to work.

The County Manager and Department Heads reserve the right to deny leave requests when the

granting of a request would increase the expense of or cause difficulty in operating the department, thus impacting services provided by the County.

SECTION 5 - CONDITIONS OF EMPLOYMENT

5.1 Conflict of Interest

Yancey County Government expects all employees to conduct business according to the highest ethical standards of conduct. Employees should devote their best efforts to the interests of the County. Business dealings that appear to create a conflict between the interests of the County and an employee are unacceptable. The County recognizes the right of employees to engage in activities outside of their employment which are of a private nature and unrelated to the County's business. However, the employee must disclose any possible conflicts so that the County may assess and prevent potential conflicts of interest from arising. A potential or actual conflict of interest occurs whenever an employee is in a position to influence a decision that may result in a personal gain for the employee or an immediate family member (i.e., spouse or significant other, children, parents, siblings) as a result of the County's business dealings. A violation of this policy will result in immediate and appropriate discipline, up to and including termination.

A. Outside Employment

The work of the County takes priority over other employment interests of employees. All outside employment for salaries, wages, or commission and all self-employment must be reported to the employee's Department Head before such work is to begin. The Department Head and the County Manager will determine whether the outside work would create a conflict of interest or otherwise be incompatible with Yancey County service. Time spent in the performance of outside employment must not interfere in any way with the performance of work assignments with the County. The assumption of outside employment without prior approval by the County may be deemed improper conduct and subject the employee to disciplinary action, up to and including termination.

B. Financial Interest in Other Business

An employee and his or her immediate family may not own or hold any significant interest in a supplier or customer of the County, except where such ownership or interest consists of securities in a publicly-owned company with securities regularly traded on the open market. An exception will be made for those employees who have given written notice to the County Manager, and the County Manager in writing has made the determination that there is no conflict of interest.

5.2 Gifts and Favors

No employee may solicit or accept gifts of significant value (i.e., in excess of \$25.00), lavish entertainment or other benefits from potential and actual suppliers of goods or services. Special care must be taken to avoid even the impression of a conflict of interest.

No official or employee shall grant any improper favor, service, or thing of value in the discharge of duties.

5.3 Work Product Ownership

All Yancey County employees must be aware that the County retains legal ownership of the product of their work. No work product created while employed by the County can be claimed, construed, or presented as property of the individual, even after employment by the County has been ended or the relevant project completed. This includes written and electronic documents, audio and video recordings, systems codes, and also any concepts, ideas, or other intellectual property developed for the County, regardless of whether the intellectual property is actually used by the County. It is acceptable for an employee to display and/or discuss a portion or the whole of certain work product in certain situations, such as on a resume.

5.4 Confidential Nature of Work

All Yancey County records and information relating to Yancey County are confidential and employees must treat all matters accordingly. No Yancey County information, including without limitation, documents, notes, files, records, oral information, computer files or similar materials (except in the ordinary course of performing duties on behalf of Yancey County) may be removed from the County's premises without permission from the County Manager. Additionally, the contents of Yancey County's records or information otherwise obtained in regard to business may not be disclosed to anyone, except where required for a business purpose. Employees must not disclose any confidential information, purposefully or inadvertently through casual conversation, to any unauthorized person inside or outside the County. Employees who are unsure about the confidential nature of specific information must ask their Department Head for clarification. Employees will be subject to appropriate disciplinary action, up to and including termination, for knowingly or unknowingly revealing information of a confidential nature.

5.5 Political Activity Restricted

Every employee of Yancey County has a civic responsibility to support good government by every available means and in every appropriate manner. Any employee may join or affiliate with civic organizations of a partisan or political nature, may attend political meetings, and may advocate and support the principals or policies of civic or political organizations in accordance with the Constitution and the laws of the State of North Carolina and the Constitution and the laws of the United States of America.

However, while on duty, no employee of Yancey County shall:

1. engage in any political or partisan activity in accordance with NCGS 160A-169 and 153A-99,
2. use official authority or influence for the purpose of interfering with or affecting the result of an election or a nomination for office,

3. be required as a duty or a condition of employment, promotion, or tenure of office to contribute funds for political or partisan purposes,
4. coerce or compel contributions for political or partisan purposes by another employee of the County, or
5. use funds, supplies, or equipment of the County for political or partisan purposes.

Employees subject to the Hatch Act (employees subject to the Hatch Act work in a position that has duties in connection with programs financed in whole or in part by Federal funds) may not be candidates for elected office in a partisan election.

Any violation of this section may subject the employee to appropriate disciplinary action, up to and including termination.

5.6 Limitation on Employment of Relatives

- A. No two members of an immediate family (see definition of immediate family under Sick Leave, 4.3) shall be employed within the same department if such employment will result in one member supervising the other or in one member occupying a position that has influence over the other's employment, promotion, salary administration, or related management or personnel consideration, except as may be authorized by the County Manager in writing.
- B. The Yancey County Board of Commissioners shall approve the appointment by the Sheriff or the Register of Deeds of a relative by blood or marriage of nearer kinship than first cousin.

5.7 Impairing Substance Use

Employees shall not consume, purchase, or possess any intoxicating beverage while on County time. No employee shall operate a County-owned vehicle after the consumption of any amount of intoxicating beverage. At no time shall an employee operate a vehicle or any other heavy equipment while impaired. Off-duty employees shall not consume intoxicating beverages to such an extent as to render them unfit to report for their next regular duty day or when on call. Employees shall not report for duty or be on duty while visibly affected from the use of alcohol, controlled substances, drugs, or any other means, or with an odor of intoxicants on their breath. No employee shall report for duty while taking prescribed or over-the-counter medications that affect their ability to properly or safely perform their assigned duties.

Any employee driving a County-owned vehicle, driving a personal vehicle in the course of County business, or using County-owned heavy equipment is subject to random testing for drug and alcohol use. Any employee on duty or reporting for duty while visibly affected by the use of alcohol, controlled substances, drugs, or any other intoxicants, or with an odor of intoxicants on their breath may be required to submit to a breath test or other diagnostic test(s) as directed by the County Manager or designee. If the County Manager has reasonable suspicion that an employee is under the influence of such substances, the County Manager may require a test to confirm such suspicion. Such tests administered under this rule shall only apply to any administrative process that may result. A failure to

submit to such test will subject the employee to disciplinary action, up to and including termination.

5.8 Attendance

In order to maintain a safe and productive work environment, Yancey County expects employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and on the County. In the rare instances when employees cannot avoid being late to work or are unable to work as scheduled, they should notify their Supervisor as soon as possible in advance of the anticipated tardiness or absence. Poor attendance and excessive tardiness are disruptive. Either may lead to disciplinary action, up to and including termination.

5.9 Violence in the Workplace

Yancey County is committed to preventing workplace violence and to maintaining a safe work environment. All employees, including Supervisors and temporary employees, should be treated with courtesy and respect at all times. Employees are expected to refrain from fighting, "horseplay", or other conduct that may be dangerous to others.

Conduct that threatens, intimidates, or coerces another employee or member of the public at any time, including off-duty periods, will not be tolerated. This prohibition includes all acts of harassment, including harassment that is based on race, color, religion, creed, national origin or citizen status, gender, sexual orientation, age, disability, genetic information, status as a covered veteran, or any other protected characteristic as established by law.

All threats of (or actual) violence, both direct and indirect, should be reported as soon as possible to the Department Head or County Manager. The County will promptly and thoroughly investigate all reports of threats of (or actual) workplace violence and of suspicious individuals or activities. The identity of the individual making a report will be protected as much as is practical. In order to maintain workplace safety and the integrity of its investigation the County may suspend employees, either with or without pay, pending investigation. Anyone determined to be responsible for threats of (or actual) violence or other conduct that is in violation of these guidelines will be subject to disciplinary action, up to and including termination.

5.10 Solicitations, Distributions, & Use of Bulletin Boards

Yancey County Employees should not solicit during work time when doing so interferes with another employee's job performance. Likewise, when dealing with outside solicitors, employees should be sure their job performance is in no way compromised and their work station is covered.

Bulletin boards on Yancey County property are to be used only for posting or distributing notices containing matters directly concerning County business, announcements of a business nature which are equally applicable and of interest to employees, and required labor law postings. All posted

material must have authorization from the County Manager's Office.

Employees are expected to check these bulletin boards periodically for new and/or updated information regarding employment laws. Employees are not to remove material from the bulletin boards.

5.11 Internet and E-Mail Use

A. INTERNET USE

Employees are provided with access to the Internet to assist them in performing their jobs. In addition, e-mail provides an excellent means of communicating with other employees, vendors, and other governments and businesses. Use of the Internet, however, must be tempered with common sense and good judgment, and such use of the Internet via the County's computer system constitutes consent by the user to all of the terms and conditions of this policy. Abuse of the right to use the Internet may result in disciplinary action, including possible termination, and civil and criminal liability.

Employees should be aware that information posted on personal internet and social networking sites can reflect both personally and professionally on the employee and Yancey County Government.

Disclaimer of liability for use of Internet: Yancey County is not responsible for material viewed or downloaded by users from the Internet. Users are cautioned that the Internet contains offensive, sexually explicit, and inappropriate material. In general, it is difficult to avoid at least some contact with this material while using the Internet. Users accessing the Internet do so at their own risk.

Duty not to waste computer resources: Employees must not deliberately waste computer resources or unfairly monopolize resources to the exclusion of others. This includes, but is not limited to, sending mass mailings or chain letters, spending excessive amounts of time on the Internet, playing games, engaging in online chat groups, printing multiple copies of documents, or otherwise creating unnecessary network traffic. Because audio, video, and picture files require significant storage space files of this or any other sort may not be downloaded unless they are work-related.

Duty to maintain with no expectation of privacy: The computers and e-mail accounts given to employees are to assist them in performance of their jobs. Employees should not have an expectation of privacy in anything they create, store, send, or receive on the computer system. The computer system belongs to the County and may only be used for business purposes. In addition, e-mail is a public record as defined by North Carolina General Statutes 132 and 121 and as such is subject to the records retention regulations as defined by the Department of Cultural Resources. Electronic mail is a record just the same as paper and must be maintained (either printed and filed or electronically filed) for the same required time as paper communication of the same information. All Department Heads have access to the Records Retention and Disposition Schedule for further clarification.

Monitoring computer usage: The County has the right, but not the duty, to monitor any and all of the aspects of its computer system, including, but not limited to, monitoring sites visited by employees on the Internet, monitoring chat groups, social networking sites and news groups, reviewing material downloaded or uploaded, and reviewing e-mail sent and received by users.

Blocking of inappropriate content: The County may use software to identify inappropriate or sexually explicit Internet sites. Such sites may be blocked from access by County networks. An employee who encounters inappropriate or sexually explicit material while browsing on the Internet should immediately disconnect from the site, regardless of whether the site was subject to the County's blocking software.

Prohibited activities: Material that is fraudulent, harassing, embarrassing, sexually explicit, profane, obscene, intimidating, defamatory, or otherwise unlawful, inappropriate, offensive (including offensive material concerning sex, race, color, national origin, religion, age, disability, or any other characteristic protected by law), or violates the County's equal employment opportunity policy and its policies against sexual or other harassment may not be downloaded from the Internet or displayed or stored in the County's computers. An employee encountering or receiving this kind of material should immediately report the incident to the Department Head or the County Manager's Office. The County's equal employment opportunity policy and its policies against sexual or other harassment apply fully to the use of the Internet and any violation of those policies may be grounds for discipline up to and including discharge. Any evidence of child pornography found on electronic and information technology equipment must be reported by the Information Technology Director to the County Manager who will then be responsible for notifying law enforcement officials.

Games and entertainment software: Employees may not use the County's Internet connection to download games or other entertainment software or to play games over the Internet.

Illegal copying: Employees may not illegally copy material protected under copyright law or make that material available to others for copying. Employees are responsible for complying with copyright law and applicable licenses that may apply to software, files, graphics, documents, messages, and other material. Employees may not agree to a license or download any material for which a registration fee is charged without first obtaining the express permission of the Department Head.

Accessing the Internet: To ensure security and to avoid the spread of viruses, employees accessing the Internet through a computer attached to the County's network must do so through an approved Internet firewall. Accessing the Internet through the County's network by any means that by-passes the firewall is strictly prohibited. Password and back-up procedures as directed by the Information Technology Director must be adhered to.

Virus detection: Files obtained from sources outside the County, including storage devices brought from home, files downloaded from the Internet and other online services, files attached to e-mail, and files provided by vendors may contain dangerous computer viruses that may damage the County's computer network. Employees should scan all electronic material with County-approved virus checking software. If an employee suspects that a virus has been introduced into the County's network the Information Technology Director should be notified immediately.

B. E-MAIL USE

Employees should always ensure that the business information contained in electronic mail/Internet messages is accurate, appropriate, and lawful. In addition, email is not to be used for personal business. The e-mail network is a private information system of Yancey County. Individuals using this system expressly consent to monitoring of their activities. Anyone using this system in violation of the County's Internet and e-mail policy may be subject to disciplinary action, up to and including termination.

5.12 Voice Mail Policy

The Voice Mail system is the property of Yancey County and has been provided for use in conducting County business. All communications and information transmitted by, received from, or stored in this system are records and property of the County. The Voice Mail system is to be used for County purposes only. Employees have no right of personal privacy in any matter stored in, created, received, or sent over the County Voice Mail system.

Employees should also use professional and courteous greetings on their Voice Mail boxes so as to properly represent the County to outside callers. Employees should be aware of the fact that voice mail messages and records may be subject to discovery in litigation.

5.13 Telephone & Cell Phone Use (Rev 7/11)

Because a large percentage of Yancey County's business is conducted over the phone, it is essential to project a professional telephone manner at all times.

Although the County realizes that there are times when an employee may need to use the telephone for personal reasons, it is expected that good judgment will be used in limiting the length and frequency of such calls. Additionally, no personal long distance calls may be made on County phones.

Cell Phone/Smart Phone Usage

1. Personal Cell Phone Use While at Work

Employees should limit the use of personal cell phones while at work as it may present a hazard or distraction to the user and/or co-workers. This policy is meant to ensure that cell phone use while at work does not disrupt business operations and is courteous to co-workers that are working in the vicinity. For safety purposes cell phones are not to be used while operating any motorized equipment.

2. County-Provided Cell Phones

Cell phones are provided to certain employees of Yancey County for the purpose of conducting Yancey County business. The use of County-provided cell phones for personal calls is expressly prohibited.

3. Smart Phones Connected to County Server

A lost or stolen mobile device, owned either by the County or by the employee, with connectivity to the County's server for e-mail access must be reported to the IT Department immediately. The device may be remotely locked or wiped of all data to prevent unauthorized access to the County's network.

5.14 Internal Investigations and Searches

From time to time, the County may conduct internal investigations pertaining to security, auditing or work-related matters. Employees are required to cooperate fully with and assist in these investigations if requested to do so.

Whenever necessary, at the County's discretion, work areas (i.e., desks, file cabinets, etc.) may be subject to a search without notice. Employees are required to cooperate.

The County will generally try to obtain an employee's consent before conducting a search of work areas, but may not always be able to do so.

5.15 Reference Inquiries

All inquiries regarding a current or former Yancey County employee must be referred to the County Manager or other Appointing Official.

Should an employee receive a written request for a reference, he/she should refer the request to the County Manager's Office for handling. No Yancey County employee may issue a reference letter on behalf of any current or former employee without the permission of the County Manager's Office.

Under no circumstances should any County employee release any information about any current or former County employee over the telephone. All telephone inquiries regarding any current or former employee of the County must be referred to the County Manager's Office.

In response to an outside request for information regarding a current or former County employee, the County Manager's Office will furnish or verify only such information as is contained in Personnel Records, Section 9. No other data or information regarding any current or former County employee, or his/her employment with the County, will be furnished unless (1) the employee authorizes the County Manager in writing to furnish this information and releases the County from liability in connection with the furnishing of this information, or (2) the County is required by law to furnish such information.

5.16 Smoking Policy

All Yancey County buildings are smoke-free. Yancey County employees are permitted to smoke or use other tobacco products in designated smoking areas only. Employees are prohibited from smoking or using tobacco in non-smoking areas or in County vehicles.

Any questions regarding the smoking policy or the designated locations should be directed to the

County Manager's Office.

5.17 News Media

To ensure that all County-related information is accurate and up to date, all requests from the media for comment are to be referred to the County Manager for a response. While the County Manager may refer the request for comment to the appropriate Appointing Official, no statement which involves the County, its policies, or employees is to be otherwise released verbally or in writing.

5.18 County Mail

The use of the Yancey County's paid postage for personal correspondence is not permitted. Mail received marked "Personal and Confidential" is sometimes inadvertently opened, or may be opened because the addressee is no longer employed and it is believed that the piece of mail is an important business-related item that requires immediate attention. Accordingly, the County assumes that it has each employee's permission to open any piece of mail received at the office address.

5.19 Personal Property

Yancey County cannot be responsible for personal property that is lost, damaged or stolen. It is not covered under the County's insurance.

Also, the County prohibits any items on the premises or worksite that are sexually suggestive, offensive, or demeaning to specific individuals or groups, along with firearms or other weapons.

5.20 Use of County Supplies and Equipment

Yancey County equipment, materials, tools and supplies are not available for personal use, nor are they to be removed from County property except in conduct of official County business. County employees are expected to provide reasonable care of any County equipment as a function of their job and will be held accountable for the proper use of such equipment.

5.21 Uniforms

Yancey County furnishes uniforms to employees whose work requires uniformity of appearance and identification. County uniforms are not to be worn except when on duty for the County. Sheriff's Deputies may wear their uniforms in off-duty hours only when approved by the Sheriff or his designee.

Uniforms will be replaced as needed due to normal wear. However, employees will be charged for

replacement of uniforms that have been lost or willfully damaged by the employee. All employees who are assigned uniforms will be required to sign for them when they are issued and return them when leaving County employment. The cost of uniforms issued and not returned will be deducted from the employee's final pay.

5.22 Driver's License, Vehicle Insurance, and Driving Record Requirements (Rev 7/11)

A. Drivers of County-Owned Vehicles

Vehicles owned by Yancey County are not to be used for personal purposes. Employees who operate Yancey County vehicles as part of the essential duties of their position are required to meet the following minimum standards set by Yancey County and have possession of an appropriate driver's license valid in the State of North Carolina, except where preempted by military involvement. Any employee operating Yancey County vehicles must have a minimum of five (5) years' driving experience. Motor vehicle records checks will be made with the North Carolina Department of Motor Vehicles for anyone hired for a position that requires the operation of a County-owned vehicle to determine the driver's acceptability. An annual NC DMV records check will be completed for all authorized drivers to determine continued acceptability. After employment, any employee whose license is revoked, suspended, or lost, must notify his/her Department Head immediately. The employee will be unable to resume operating a Yancey County vehicle until providing proof of a valid driver's license to the Department Head. Employees who are not able to perform essential job duties due to the suspension or revocation of their driver's license may be reassigned to a non-driving position or may be terminated.

The Yancey County Transportation Department routinely conducts driver safety training for its employees. These sessions are available to all other County departments, and all employees from other departments who operate Yancey County vehicles as part of the essential duties of their position, or who drive personal vehicles in the course of County business, are required to attend a minimum of two (2) such sessions annually with attendance recorded and reported to the County Manager's Office.

As noted in Section 5.7, "Impairing Substance Use," employees driving County-owned vehicles or personal vehicles in the course of County business are subject to random testing for drug and alcohol use.

These minimum standards apply to all employees who operate Yancey County vehicles. Additional requirements are established for and communicated by the Transportation Department and the Sheriff's Department.

B. Drivers of Personal Vehicles on County Business

Yancey County requires that employees who drive personal vehicles in the course of County business provide proof of adequate personal insurance coverage limits in addition to the driver's record check referenced above. Minimum personal auto limits of \$500,000 are recommended to be maintained on the personally-owned vehicle used while performing County business. The County Manager (or Department Head in the case of DSS and Extension Service) shall review and maintain copies of the referenced information for the respective employees.

C. Vehicle Accident Investigation Procedure

Drivers of County-owned vehicles or employees driving personal vehicles on County business are to take appropriate action in the event of an accident to prevent additional accidents and/or injuries. The employee should immediately report the accident to the County's emergency services (E-911) who will dispatch appropriate law enforcement and/or emergency medical personnel. The employee is to remain at the scene of the accident, be courteous, answer law enforcement personnel's questions, and give identifying information to other parties involved. As soon as possible, and no more than twenty-four (24) hours following the accident, the employee should complete the Accident/Incident Report Form available from his/her Department Head or from the County Manager's Office.

Employees found to be negligent in operating vehicles on behalf of Yancey County are subject to the procedures outlines in Section 7.5 "Discipline and Dismissal."

5.23 Licenses, Registrations, or Certifications

Yancey County employees are expected to maintain any license, registration, or certification required by relevant law, rule, or provision when the duties of the position require that license, registration, or certification. Employees must obtain or maintain current, valid credentials as required by law, rule, regulation, and occupational boards.

5.24 Safety in the Workplace

Safety is the responsibility of both the County and its employees. It is the policy of the County to establish a safe work environment for employees. The County shall establish a safety program including policies and procedures regarding safety practices and precautions, and provide training in safety methods. Department Heads and Supervisors are responsible for insuring the safe work procedures of all employees and providing necessary safety training programs. Employees shall follow the safety policies and procedures and attend safety training programs. Employees who violate such policies and procedures shall be subject to disciplinary action, up to and including termination.

Additional detailed procedures regarding safety, worker's compensation, injury, and infection control may be established by the County Manager.

5.25 Nursing Mothers

Section 4207 of the Patient Protection and Affordable Care Act of 2010 (PPACA) provides "reasonable breaks" as needed for an employee to express milk for her nursing child for one year after the child's birth. Time taken for these breaks in excess of 20 minutes should be excluded from time reported on the employee's time sheet.

5.26 Compensatory Time Off (Rev 7/16)

Yancey County provides compensatory time off in lieu of cash overtime compensation to employees who have earned compensatory time in accordance with Section 6.19.

SECTION 6 – PAYROLL PROCEDURES AND THE PAY PLAN

Employment Overview

6.1 Employment Status

Employment status with Yancey County is one of the following:

Full-Time Employee. An employee in a permanently established budgeted position who is regularly scheduled to work thirty-seven and one-half (37.5) or more hours per workweek and is generally paid on a salary basis.

Part-Time Employee. An employee in a permanently established budgeted position who is regularly scheduled to work less than thirty-seven and one-half (37.5) hours per workweek and may be paid either on a salary or an hourly basis. Note: Employees who work thirty (30) or more hours per week in a permanently established budgeted position are eligible for benefits, including paid leave days. Also, for the purpose of health insurance coverage, thirty (30) hours per week is termed “full time.” However, Local Government Employees’ Retirement System membership is required for employees working 19.23 hours or more per week, 1,000 hours per year.

Permanent Employee. An individual who has successfully completed the introductory period and is employed in a budgeted position of an indefinite duration. Permanent employees may be full- or part-time. Reference to “permanent” positions or employment should not be construed as a contract or right to perpetual funding or employment.

Temporary Employee. An individual employed in a position for a definite duration, but less than twelve (12) months. Temporary employees may be full- or part-time.

Introductory Period Employee. An individual employed in a permanently established budgeted position that has served less than six (6) months in that position. The employee’s job performance will be carefully monitored during, and evaluated at the end of, the introductory period for determination of continued employment.

Payroll Procedures

6.2 Pay Period and Payday

The pay period for Yancey County Government begins at 12:01 a.m. each Saturday and ends at midnight on the following Friday.

All employees shall be paid on a bi-weekly basis, with Thursday designated as payday. If payday falls on a holiday, employees will be paid on the last working day before the holiday. Payroll is processed based on timesheets, as prescribed by the Finance Officer, which are due in the Finance Office on alternate Fridays preceding payroll on the next Thursday.

6.3 Direct Deposit of Payroll

Direct deposit of payroll is a benefit available to all Yancey County employees. Individuals employed in part- or full-time permanently established budgeted positions on or after the effective date of this policy will be paid through direct deposit of payroll only. Direct deposit may go to any account and to any banking institution.

6.4 Time Sheets (Rev 7/16)

The Fair Labor Standards Act requires that a full record and accounting of all non-exempt employee hours worked must be maintained by the employee and kept on file by the employer for a three-year period. The following procedures are to be followed:

1. All non-exempt employees are required to keep a daily time record of actual hours worked, including start/stop times. The time record shall be completely filled out, and shall reflect accurately the time that an employee arrives for work and when the employee leaves.
2. If the employee does not work on a particular day (i.e. vacation, sick leave) the appropriate code/codes should be entered.
3. The information on the time sheet may be reviewed by the Supervisor at any time. It is the Supervisor's responsibility to ensure that time sheets are kept up to date and are accurate.
4. At the end of the pay period the time sheet is to be signed and dated by the employee and submitted to the Department Head. The Department Head will in turn review and certify the time sheet by signing and dating it, then submit it to the Finance Office as directed by the Finance Officer. All time sheets will be kept on file in the Finance Office for a period of three years.
5. Any fabrication of information will result in disciplinary action, up to and including termination.
6. Time records must also be kept by exempt employees in order to substantiate attendance and leave days.

6.5 Pay for Part-Time Work

Compensation of any employee whose work assignment is less than thirty-seven and one-half (37.5) hours per week may be computed on an hourly basis. Permanent part-time employees whose regular work assignment is thirty (30) or more hours per week will receive the same paid holidays as the full-time employees provided that they are regularly scheduled to work on the day the holiday occurs.

6.6 Holiday Pay (Rev 7/12)

Yancey County permanent non-exempt employees working in various areas (such as law enforcement, E-911, parks and recreation, transportation, and convenience centers) are subject to being scheduled for work on holidays. Those employees will receive double their regular rate of pay for working on a holiday observed by Yancey County Government, or double hours worked added to their compensatory time balance. However, time worked on a holiday will be counted hour for hour (not double time) for the purposes of reaching overtime status, which is actual time worked in excess of forty (40) hours in the designated work week (eighty-four in the work period for law enforcement and E-911) that results in compensatory leave (see Sections 4.6 and 6.19.)

6.7 Payroll Deductions

All statutory taxes including Federal and State income taxes, Social Security and Medicare (FICA) tax, and retirement contributions shall be deducted as required by law. Other voluntary deductions such as health insurance, miscellaneous insurance products, and certain contributions (United Way, etc.) will be deducted as authorized by law and the Yancey County Board of Commissioners. All voluntary deductions will be based on the employee's authorizing signature. Enrollment dates and processes for all voluntary deductions will be communicated each year so that all eligible employees are informed and participation is readily available.

6.8 Wage Garnishment

The Yancey County Finance Office will appropriately acknowledge all wage garnishments from other governments - Local, State, and Federal. In addition, it is required that each Yancey County employee pay his or her County property tax in a timely fashion. Failure to do so will be considered a violation of these policy provisions and the property tax due will be subject to garnishment from the employee's payroll check.

6.9 Annual Longevity Pay

Longevity pay is a benefit paid annually to those employees who have 15 (fifteen) or more years of aggregate Yancey County service. Longevity pay amounts are computed by multiplying the

employee's base pay rate on the date of eligibility by the applicable percentage as follows:

Years of Aggregate

<u>County Service</u>	<u>Longevity Pay Rate</u>
15 but less than 20 years	2.25 percent
20 but less than 25 years	3.25 percent
25 or more years	4.50 percent

1. An employee must have fifteen (15) years of aggregate qualifying service before being eligible for a longevity payment.
2. The employee must be in a part- or full-time (30 or more hours per work) permanently established budgeted position at the time of qualification.
3. The aggregate service requirement shall not include temporary or part-time (less than 30 hours) employment; periods of break in service; or leave without pay in excess of one-half the workdays in a month, with the exception of military leave. The aggregate service requirement shall include the introductory period that precedes permanent status.
4. If the employment status changes to temporary or part-time (less than 30 hours) the employee is ineligible for continued longevity pay.
5. Longevity pay is not considered a part of annual base pay for classification and pay purposes, nor is it to be recorded in personnel records as a part of annual base salary.

6.10 Administration and Maintenance of Pay Plan

The County Manager shall be responsible for the administration and maintenance of the pay plan. The pay plan shall be administered in a fair and systematic manner. It is intended to provide equitable compensation for all positions when considered in relation to each other and based on relative duties and responsibilities, to general rates of pay for similar employment in the private and public sector in the area, to changes in the cost of living, and to financial conditions of the County. The County Manager shall periodically make comparative studies of all factors affecting the level of salary ranges and shall recommend to the Yancey County Board of Commissioners such changes in salary ranges as are warranted.

6.11 Payment at a Listed Rate

Employees covered by the salary plan shall be paid at a listed rate within the salary ranges established for their respective job classes except for employees in a trainee status or employees whose present salaries are above the established maximum rate following transition to a new pay plan. When an employee attains the maximum rate of a salary range for his or her present position, no further salary increase will be received unless the position is reclassified, the employee is promoted to another position with a higher salary range, or the salary for the present position is increased.

6.12 Hiring Rate/Starting Salary

Employees will be hired at the minimum amount of their assigned salary grade. Appointments above the minimum amount may be made by the County Manager when deemed necessary for the best interests of the County. Higher placement will be based on such factors as superior qualifications of the applicant or a shortage of qualified applicants available at the hiring rate. Appointment above the midpoint salary must be approved by the Board of Commissioners.

6.13 Trainee Salaries

An applicant hired who does not meet all the established requirements of the position shall be paid with the approval of the County Manager at a pay rate of one percent (1%) below the minimum salary. Employees subject to the State Personnel Act will be designated "trainees" in accordance with rules and regulations established by the Office of State Personnel. Other County employees shall be designated "trainees" when recommended by the Department Head with the approval of the County Manager. An employee in a trainee status shall continue to receive a reduced salary until the appointing Department Head and the County Manager determine that the trainee is qualified to assume the full responsibilities of the position.

6.14 Failure to Perform Satisfactorily

An employee who fails to perform satisfactorily, whether during the introductory period or during advancement from Step 1 to Step 4 (the Standard Job Rate), will be denied the scheduled salary increase. Employees who have advanced to the Standard Job Rate (Step 4) will be required to perform at a satisfactory level.

6.15 Merit Increases

When funds are available and are allocated by the Yancey County Board of Commissioners for a defined number of merit increases, employees who have been employed with the County for at least one year may be considered for a merit increase. Merit increases, defined as advancements in the salary range above the Standard Job Rate (Step 4), are not automatic but may be awarded for the following reasons: (1) exceptional work achievements, (2) excellence in work performance, or (3) special contribution to productivity. Each qualifying employee will be evaluated to determine how well they are meeting their performance standards. All requests for merit increases will be fully documented by the Department Head and will be granted by the County Manager only to employees who have performed above the standard for their position.

6.16 Pay Rates in Promotion, Reclassification, Demotion, and Transfer

When an employee is promoted, demoted, transferred, or reclassified, the rate of pay for the new position shall be established as follows:

- A. When a promotion or reclassification occurs, if the employee's current salary is below the new minimum, it shall be increased to the minimum amount of the salary range to which he or she is promoted or reclassified. If an employee's current salary is already above the new minimum salary rate, his or her salary may be adjusted one (1) step upward or left unchanged at the discretion of the County Manager, provided that the adjusted salary does not exceed the maximum of the new assigned salary range.
- B. If an employee is demoted as a result of a reclassification, and the employee's current salary falls above the maximum range for the lower class, the employee's salary will remain unchanged until general schedule adjustments or range revisions contain that amount. If an employee is demoted for cause, the employee's salary will be reduced to any step in the lower salary range as long as the reduced salary does not fall below the minimum salary rate of the new range.
- C. When a transfer occurs from a position in one class to a position in another class assigned to the same pay range, the employee shall continue to receive the same salary.

6.17 Pay Rates in Salary Range Revisions

If the Yancey County Board of Commissioners approves a change in salary range for a class of positions, the salaries of employees whose positions are allocated to that class shall be affected as follows:

- A. When a class of positions is assigned to a higher pay range, employees in that class may receive a pay increase of one percent (1%) or an increase to the minimum step of the new range, whichever is higher.
- B. When a class of positions is assigned to a lower pay range, the salaries of employees in that class will remain unchanged. If this assignment to a lower pay range results in an employee being paid at a rate above the maximum amount established for the new class, the salary of the employee shall be maintained at that level until such time as the employee's pay range is increased above the employee's current salary.

6.18 On-Call and Call-Back Compensation

Yancey County provides compensation for employees who are required to be available for after hours on-call duty. The County Manager determines the departments and positions that are eligible for the on-call compensation.

Compensation for time spent while on call and for time spent when actually called back to work shall be determined as follows:

1. On-call time consists of scheduled non-work hours during which an employee is required to be available to be called back to work on an emergency basis. Call-back time consists of actual time spent when called back to work to handle an emergency situation.
2. On-call schedules must be approved by the Department Head.
3. Those employees classified as Non-Supervisory and required to be on call will be paid at the rate of \$12.00 per day for each day on call. Employees classified as Supervisory and required to be on call will be paid at the rate of \$15.00 per day for each day on call.
4. Hours actually worked while on stand-by are calculated beginning when the employee reports to the work site and concludes when the emergency situation ends. These hours are added to the employee's compensatory time balance.

6.19 Fair Labor Standards Act and Overtime Compensation (Rev 7/16)

Code of Federal Regulations – Title 29 Part 553

A. General Provisions

All employees of Yancey County can be requested and may be required to work in excess of their regularly scheduled hours as necessitated by the needs of the County and as determined by the Supervisor. For the purposes of this section, "Supervisor" is defined as "Department Head" supervising County functions and "County Manager" supervising Department Heads.

Elected public officials and staff members in policy making positions under the supervision of the elected officials are excluded from provisions of the Act.

Exempt or Non-Exempt Employees

All positions in Yancey County are determined to be exempt or non-exempt from the provisions of the Fair Labor Standards Act as revised May 19, 2016. Such determination is based on the criteria set forth in the law which considers salary amount, responsibilities and job duties.

B. Non-Exempt Employees

Non-exempt employees in all departments are expected to work during all assigned periods and are not to perform work during any time that they are not scheduled to work unless they receive approval from the Supervisor, except in cases of emergency. All employees (not including law enforcement and E-911) occupying positions determined to be non-exempt are entitled to overtime compensation when the work week exceeds forty (40) hours. In determining eligibility for overtime in a work period only hours actually worked shall be considered; thus vacation, sick leave, or non-working holidays are not to be included in the computation of hours worked for FLSA purposes.

Public safety (law enforcement) and emergency response (E-911) employees determined to be non-exempt are entitled to overtime compensation when the work period (fourteen days or one bi-weekly pay period) exceeds eighty-six (86) hours.

Yancey County, in agreement with its employees upon employment and as a condition of employment as noted in Section 5, provides paid compensatory time off to most non-exempt employees who have earned such time. The rate is one and one-half (1-½) hours earned for each hour worked above forty (40) in the work week for all departments except law enforcement and E-911, or above eighty-six (86) hours in the work period for those two departments. Compensation for overtime for non-exempt law enforcement and E-911 employees will be either paid time added in the next payroll period or compensatory time added to the employee's balance, the choice of which will be determined by the Supervisor.

Only hours worked in excess of 40 (or 86 as applicable) are compensated at the rate of 1 ½ times hours worked. However, time worked in excess of the standard work week of 37 ½ hours established by Yancey County in Section 6.1 is compensated at a straight time rate and is considered other compensatory time.

Employees may not "volunteer" to perform the same type of services for which they are employed by Yancey County to perform. Conversely, employees may occasionally or sporadically work freely and solely at their own option in a different capacity from their regular employment with total hours worked not being combined for the computation of overtime compensation.

When two employees agree, solely at their option and with the approval of the Supervisor, to substitute for one another during scheduled work hours, the hours worked shall be excluded in the calculation of hours for which the substituting employee would otherwise be entitled to overtime compensation.

Use of the earned compensatory time by all employees will be only with the prior approval of the Supervisor and at a time that is convenient for the County.

Non-exempt employees may not accrue more than 240 hours of compensatory time, and non-exempt public safety, emergency response and seasonal employees may not accrue more than 480 hours of compensatory time.

Upon termination of employment an employee shall be paid for unused compensatory time at the average regular rate received during the last three years of employment or the final regular rate, whichever is higher.

C. Exempt Employees

Employees occupying positions determined to be exempt (not covered by the law) will not receive compensation for hours worked in excess of their normal work week.

D. Yancey County Sheriff's Office

In addition to the preceding sections of this policy, the following sections are applicable to the employees in the Yancey County Sheriff's Office:

Civilian Employees

Civilian employees include all office support personnel and others who do not qualify as "law enforcement" under FLSA Section 7(k). These employees have a seven--day work period and receive time-and-one-half compensatory time off for overtime hours after 40 hours of work in each work week. Compensatory time at the straight time rate is earned when accumulated hours exceed the normal work schedule but are less than 40 hours of work in each work week. With permission of the supervisor, time worked beyond the scheduled hours on a workday can be used to reduce working hours on another scheduled day within the same work week or can be used to reduce the leave time requested for time off in that work week.

The work period for civilian employees is consistent with that of regular County employees as given in Section 6.2.

Emergency Response Employees

Emergency response employees include those employed for the dispatching of emergency vehicles and personnel. The standard work schedule for these employees is 84 hours per work period, beginning at 6:01 a.m. Saturday and ending at 6:00 a.m. Saturday two weeks later. Overtime compensation for these employees is consistent with justice officers given below.

Justice Officers

For the purpose of this policy, justice officers are sworn law enforcement and detention officers. The work period for justice officers is a 14-day work period with the FLSA Section 7(k) 86-hour overtime threshold. The period begins at 6:01 a.m. Saturday and ends at 6:00 a.m. Saturday two weeks later.

The work schedule for all justice officers is 84 hours per work period and includes deputies assigned to road patrol, detention officers, bailiffs, court house security, administrative deputies and detectives.

Supervisors will work with employees to maintain coverage and evaluate hours worked past schedules. Non-exempt officers will document the reason for any hours worked over 84. Comments shall include date and reason for time worked past regular schedule. All hours worked between 84 and 86 will be compensated at straight time. Hours worked over 86 will be compensated with FLSA compensatory time accumulated at time-and-a-half for each overtime hour worked, or with overtime pay at one-and-a-half times the regular hourly rate. Timesheets will be reviewed and reconciled at the end of each 14-day work period. Timesheets will be completed by each employee of the Sheriff's Office in the manner and schedule required by the Yancey County Finance Office, and then submitted to the immediate supervisor or designee. Supervisors should review the timesheet for accuracy.

When determining overtime, days off including sick leave, holiday, annual leave and compensatory time off are not counted as hours of work. When leave is used, justice officers will account for 84 hours on the timesheet for the 14-day work period including sick leave, holiday, annual leave and FLSA compensatory time.

General Compensation Guidelines

The following guidelines are provided as general compensation guidelines for all justice officers:

Shift Change Coverage: Time on duty at shift change during briefing and debriefing and shift overlap is compensable hours of work and must be reported accurately. Such time must be kept to the absolute minimum to maintain coverage. Time socializing with other officers at shift change is not compensable hours of work and reporting such time as hours of work is a violation of policy.

Court Time: When an officer is required to attend court for a work-related case, this time is compensable and shall be reported as hours worked.

In-Service Training: When an officer attends in-service training that is required or directly related to their current position, the time shall be reported as hours worked. This includes firing range practice and qualification when officers are required to qualify with their weapons.

Special Assignments

Any officer working an event such as 4th of July celebration, Christmas or other parades, events, marches, demonstrations, riots, labor disturbances, manhunts, fires and other incidents that are of an emergency nature will count the time as hours worked. All hours worked between 84 and 86 will be compensated at straight time or at the employee's regular hourly rate. Hours worked over 86 will be compensated with FLSA compensatory time accumulated at time-and-a-half for each overtime hour worked or at one-and-a-half times the employee's regular hourly rate.

General Procedures

The following procedures will be followed to ensure consistency in complying with FLSA:

- All timesheets will be presented by the end of each 14-day work period.
- All hours worked must be recorded on the timesheet.
- Supervisors are required to monitor time and can relieve employees from duty and/or alter their work schedule in efforts toward reducing straight time and FLSA overtime.
- Employees are responsible for ensuring that each timesheet is a true and accurate record. Supervisors are also responsible for ensuring the accuracy of their employees' timesheets.
- Employees and supervisors shall not maintain any separate time records.
- All other rules of payment as established by the Yancey County Finance Office will apply.
- Supervisors will review timesheets and make necessary corrections to assure compliance with this policy.
- Accrued compensatory time should not exceed 84 hours at the end of the calendar year. Exceptions to this must be approved in writing by the Chief Deputy.

Payment of Overtime Compensation

Subject to financial considerations and budgetary issues, payment of overtime money through the payroll process may be used to compensate employees under certain circumstances. Employees earning time worked beyond their normal shifts are subject to compensation based on FLSA. If an employee earns time compensable under the FLSA and accurately documents their time on the approved time sheet for the Sheriff's Office, they may request to be paid for their overtime in lieu of compensatory time

SECTION 7 - SEPARATION AND REINSTATEMENT

Types of Separation

Separation of employees from Yancey County employment shall be designated as one of the following: resignation, retirement, disability, reduction in force, dismissal, or death.

7.1 Resignation

A minimum of two (2) weeks' written notice is expected of all employees who resign. Such notice shall be given to the Department Head (or in the case of Department Heads, to the County Manager.) Within those two weeks a resigning employee is expected to work at least fifty (50) percent of his scheduled workdays, one of which must be the final day. Three (3) consecutive days of absence without contacting the Supervisor or Department Head is considered to be a voluntary resignation. Employees who fail to meet this requirement are not eligible to receive payment for accumulated vacation leave. Payment for accumulated vacation leave will be in accordance with Section 4.

7.2 Retirement

Employees who have completed the required number of years' service to Yancey County and who have been contributing members of the Local Government Employees' Retirement System are qualified to retire with benefits from LGERS, as described in Section 3. Employees who need additional information and assistance with retirement applications should contact the Finance Officer.

7.3 Disability

An employee may be separated for disability when the employee cannot perform the required duties because of a physical or mental impairment. Action for disability separation may be initiated by the employee or the County, but in all cases, consideration for disability separation shall be supported by medical evidence as certified by an attending physician. The County may require a physical and/or mental examination at its expense and by a physician of its choice. Before an employee is separated for disability, a reasonable effort shall be made to locate alternative positions within the County's service for which the employee may be suited. (See Americans with Disabilities Act, Section 1.)

7.4 Reduction in Force

In the event that a reduction in force becomes necessary, consideration shall be given to the quality of each employee's performance, current performance appraisals, organizational needs, and seniority, in determining the employees to be retained. Employees who are temporarily or permanently terminated because of a reduction in force shall be given at least two (2) week's notice. No permanent employee shall be separated while there are temporary employees serving in the same class in the department unless the permanent employee is not willing to transfer to the position held by the temporary employee.

7.5 Discipline and Dismissal

- A. An employee may be suspended, demoted, or dismissed by the employee's Department Head, with approval of the County Manager, for just cause - either unsatisfactory work or personal conduct.
- B. An employee whose work is unsatisfactory over a period of time shall be reprimanded by being given written notice by the Department Head as to how the employee's work is deficient and what must be done for the work to be satisfactory.
- C. An employee who is suspended, demoted, or dismissed for unsatisfactory performance of duties shall receive at least three warnings (at least one (1) warning shall be oral, and at least one (1) warning shall be written) before disciplinary action is taken. The Supervisor and the Department Head will record the dates of their discussions with the employee, the performance deficiencies discussed, and the corrective actions recommended, and file the information in the employee's personnel file. The County Manager will be notified of any disciplinary action taken.
- D. An employee may be reprimanded, suspended, demoted, or dismissed for reasons of misconduct without prior warning or disciplinary action having been given to the employee.
- E. An employee may be suspended without notice by the Department Head for causes related to personal conduct in order to avoid undue disruption of work, to protect the safety of persons or property, or for other serious reasons. When a Department Head suspends an employee without notice, the employee shall be required to leave Yancey County property at once and remain away until further notice. The Department Head shall notify the County Manager immediately. A written summary giving the circumstances and the facts leading to the immediate suspension shall be prepared. One (1) copy shall be delivered to the employee, and one (1) copy shall be filed with the County Manager.
- F. When any action is taken, whether for misconduct or unacceptable performance, the Department Head shall provide the employee with a written notice which will include the nature of the proposed action, its recommended effective date, the reason(s) for the action, and the employee's appeal rights. In addition, before an employee is dismissed, the employee shall be given a pre-termination conference at which the employee may present reasons why the dismissal should not take place.

7.6 Investigatory Suspension

Investigatory suspension, with or without pay, shall be termed administrative leave and may be used to provide time to investigate, establish facts, and reach a decision concerning an employee's status. The County may elect to use an administrative leave to avoid undue disruption of work or to protect the safety of persons or property. Administrative leave without pay shall not exceed forty-five (45) calendar days. By the end of 45 calendar days, the following must occur: (1) appropriate disciplinary action based on the results of the investigation, (2) reinstatement of the employee with up to three (3) days' pay deducted from back pay, or (3) reinstatement of the employee with full back pay.

7.7 Employee Appeal

An employee wishing to appeal a reprimand, demotion, suspension, or dismissal may present the matter using the grievance procedure prescribed in Section 8 of this policy.

7.8 Reinstatement

- A. An employee who resigns while in good standing or who is separated because of a reduction in force may be reinstated within three (3) years of the date of separation, with the approval of the Department Head, the County Manager, and in the case of competitive service employees, in accordance with *Personnel Policies for Local Government Employees Subject to the State Personnel Act*.
- B. An employee who is reinstated within three (3) years shall be credited with previous service and previously accrued leave time.
- C. An employee who enters active duty with the Armed Forces of the United States, or with a reserve component of the Armed Forces, will be granted reinstatement rights provided under Federal law. (See Military Leave, Section 4.)

SECTION 8 – INTERNAL COMPLAINT AND GRIEVANCE PROCEDURES

8.1 Internal Complaint Procedures

To foster sound employee-employer relations through communication and reconciliation of work-related problems, Yancey County provides employees with an established procedure for expressing employment-related concerns.

In situations where employees feel a complaint is in order, the following steps should be taken:

1. If an employee believes that he/she has a legitimate work-related complaint, the employee is encouraged to first attempt to resolve the issue(s) through discussions with his/her immediate Supervisor.
2. If the situation is not resolved within five working days from the time the complaint is discussed with the employee's immediate Supervisor, barring extenuating circumstances, it should be brought to the attention of the Department Head or County Manager by written documentation. The County will attempt to resolve the complaint within a reasonable period of time while preserving the confidentiality and privacy of those involved to the extent feasible. If no resolution can be reached, the employee may utilize the Grievance Procedure.

8.2 Grievance Procedure

A grievance is defined as any matter of concern or dissatisfaction arising from the working conditions of individuals employed by Yancey County. Every employee shall have the right to present a grievance in accordance with these procedures without interference, coercion, restraint, discrimination, penalty, or reprisal.

Employees will be allowed unpaid time off from their regular duties as may be necessary and reasonable, as determined by the Department Head or the County Manager, to prepare and present a grievance.

Prior to the submission of a formal grievance, the employee and Supervisor should meet to discuss the problem and seek to resolve it informally. Either the employee or the Supervisor may involve the County Manager as a resource to help resolve the grievance. Mediation may be used at any step in the process and is encouraged. Mediation is the neutral facilitation of the conflict between or among parties where the facilitator helps the parties find a mutually agreeable outcome.

The following procedure is to be used when mediation is ineffective.

Step 1. If no resolution to the grievance is reached informally, the employee who wishes to pursue a grievance shall present the grievance to the Supervisor in writing. The grievance must be presented within fifteen (15) calendar days of the event or within fifteen (15) calendar days of learning of the event or condition. The Supervisor shall respond to the grievance within five (5) calendar days after receipt of the grievance.

The response from each supervisory level for each step in the formal grievance process shall be in writing and signed and dated by the Supervisor. In addition, the employee shall sign a copy to acknowledge receipt thereof. The responder at each step shall send copies of the grievance and response to the Appointing Authority.

Step 2. If the grievance is not resolved to the satisfaction of the employee by the Supervisor, the employee may appeal, in writing, to the Department Head within five (5) calendar days after receipt of the response from Step 1. The Department Head shall respond to the appeal, stating the determination of decision within five (5) calendar days after receipt of the appeal.

Step 3. (For general County employees only.) If the grievance is not resolved to the satisfaction of the employee by the Department Head, the employee may appeal, in writing, to the Appointing Authority within five (5) calendar days after receipt of the response from Step 2. The Appointing Authority shall respond to the appeal, may meet with the employee to discuss the grievance fully, and will make a decision with ten (10) calendar days. The Appointing Authority's decision is final. However, the County Manager should inform the County Board of Commissioners of any possible legal actions. Any appeal of this decision must be made through the North Carolina Court System. In matters related to Discipline and Dismissal of General County employees as set forth in Section 7, any Appeal by an employee of the decision of a Department Head shall be made to the County Manager in writing within five (5) days of the employee's receipt of the Department Head's decision. The County Manager shall schedule a hearing to occur within twenty (20) days of receipt of the Appeal and provide the employee at least ten (10) days' prior notice of the hearing. At the hearing:

1. The Department Head shall not rely on charges or reasons that are not contained in the notice, and the employee must be given an opportunity to respond to the charges.
2. The Department Head must produce evidence to justify the charges and substantial evidence to justify his or her decision.
3. The employee shall be permitted to be represented by counsel at his or her own expense.
4. The employee shall have the right to examine all evidence against him or her and to cross-examine witnesses.

The County Manager shall, within ten (10) days of the hearing, provide to the employee a written statement of the Manager's decision following the hearing and a statement of the evidence upon which the Manager relied in making the decision.

(For State Personnel Act employees who have met the General Statutes' requirement for career status, defined as service in a position subject to the State Personnel Act for the immediate 24 preceding months.) If the grievance is not resolved to the satisfaction of the employee by the Department Head, the employee may appeal the decision to the North Carolina Office of Administrative Hearings (OAH) within thirty (30) calendar days of the receipt of the Department Head's decision. The findings of the OAH will be forwarded to the State Personnel Commission. The decision of the State Personnel Commission shall be advisory only and the Department Head shall have the final decision. Discrimination cases may be appealed directly to the OAH.

8.3 Grievance Records

All documentation, records, and reports regarding an official grievance will be retained for a minimum of three (3) years and shall be held by the County Manager. These records will be subject to review by the employee, the employee's Department Head, the County Manager or other Appointing Authority, and the Yancey County Commissioners.

8.4 Other Remedies Preserved

The existence of the grievance procedure does not preclude any individual from pursuing any other remedies available under law.

SECTION 9 – PERSONNEL RECORDS

9.1 Personnel Records Maintenance

Such personnel records as are necessary for the proper administration of the personnel system will be maintained by the County Manager. Yancey County shall maintain in personnel records only information that is necessary and relevant to accomplishing legitimate personnel administration needs as well as documents required by State or Federal regulations. Confidentiality of personnel records will be maintained as required by Article 5 of G.S. 153A and Article 7 of G.S. 126.

9.2 Request for Personnel Information

All requests for disclosure of personnel information regarding employees under the Appointing Authority of the County Manager will be made to the County through the Office of the County Manager. All requests for disclosure of personnel information regarding employees under the other Appointing Authorities should be directed to those other Appointing Authorities.
